Chairman's Report 2020/21

Many thanks to the president Brad Forbes, the committee & all the players for a successful season which saw the entry of our inaugural ladies' team who reached the semi-finals. Well done.

Welcome to the new life member inductees:

Rhys Edwards: 130 games, 2597 runs, 166 wickets & 65 catches.

Highest partnership 185 in 12/13 when he made his highest score of 150 no. He has captained every year since 2013/14 except for 2015/16 when he was club treasurer. Thereafter he captained 3 premierships sides. Best bowling 5/30 In 2016/17. He served on the board from 2014 to 2018 including 3 years with financial responsibilities.

Pete Ryan: 160 games, 4415 runs & 69 catches.

Highest partnership 159 in 2018/19 & highest score 158 no in 2007/08. He joined the club in 2005/06 & served on the board from 2018 to 2021.

In Memoriam: We would like to extend our gratitude to life member Paul Wyndham who sadly passed away this year. He was responsible for starting Nedlands junior cricket in the district in 1984.

George Verevis had a successful career in education at various high schools but only played a few games of cricket in the early 1970's.

Greg Wilkinson a 1989/90 life member from Shenton Park, Clubman in 1975/76, 3rd XI captain of Teachers in 1973/74, 1974/75, 1985/86, 152 games from 1970 to 1990. In 1972-73 in his century of 101, he hit 8 fours and 10 sixes.

Best wishes go out to their families.

Congratulations to Josh Marrs for winning both the W (Bill) Gibbney Trophy and the P (Stormy) Gale Shield.

We fielded 164 different players this year including 14 ladies & 24 new male players & 24 juniors to further strengthen the club.

Congratulations to both the 5th grade & T20 B sides & their Captain Rhys Edwards for being minor premiers & receiving the pennants.

The Best Clubman Cup was awarded to Brad Nairn for running training, managing 1st grade & scoring for T20 & Colt's sides since 2016.

Premierships and a club championship are our club's goals, which is an ongoing work in progress. Season minimum goals are 6 sides in finals - achieved 6; 4 sides in Grand Finals – achieved 4, 2 Premierships – achieved 2.

We thank the Cities of Subiaco & Nedlands for their continuous support.

President's Report 2020/2021

This year was a rollercoaster from start to finish both on and off the field with some disappointing lows but some incredible highs for the club. Personally, it was a very challenging year with both my mother, and partner Jane being rushed to the hospital multiple times across the season. In December, I took a short break after Jane was rushed to Royal Perth Hospital via the Royal Flying Doctor service from Broome. I would like to thank all of those who stepped up to run the Life Member's Day in my absence and filled in for me when required throughout the season.

It was an extremely busy off-season with our merchandise team getting started on a complete revamp of our new clothing inventory thanks to Mark De Swardt. This saw the club partner with clothing duo Embroidery WA and Dyynamic Sublimation, both run by former WACA CEO and WSCC player Chris Smith. After months of work with samples/emails/meetings back and forth discussing designs, the question of how good the new kit was answered. It was excellent. No longer will team photos show 50 shades of green, or pants split at the first sign of a wicket keepers squat.

As the season drew nearer our plans to field our inaugural women's team were put into practice and bore excellent results. Captaincy clearly runs in the Evans family as we recruited half the Cottesloe Hens thanks to the work of Luke Evans and sister Emily. Here we found our inaugural Captain in Natalie Morris, and along with Coach Daniel Gollan we were setup within a matter of weeks. Our Women's team grew from strength to strength, finishing 4th against clubs all with established womens' programmes. Our ladies were not only an asset on the field but off-field they put more money over the bar than the men and boosted our committee stocks. By the end of season, we had our first ever Women's Officer in Courtney Zyrucha, who was instrumental in their successes.

Our awards night from the previous season had been postponed to the 31st of October and it was indeed a scary evening for my bank balance. For the first time in my Presidency, every single team playing on this Saturday won which meant I owed everyone who came to the bar a drink. An unlucky coincidence for me given it was our biggest club event in 2020, but a great night for all of those in attendance. Notable winners from the night include Stormy Gale winner Josh Marrs and our most prestigious award the Graeme Chinnery Clubman Award going to a very deserving winner in Andrew Dennis for his tireless work around the club.

Once again, our season was impacted by COVID as it reared its ugly head in January whilst we were mid match for our two-day sides. Our 1st XI had just started to turn around what was an extremely frustrating season after being close to winning every one of their games but only managing the one win at the Christmas break. After the break it seemed our luck had turned as we were able to outright High Wycombe at Scott Reserve and in the box seat the next game against Swan Valley before COVID lockdown. Alas, it was not to be, as after the COVID break we were unable to find form with 3 close losses to good sides and our time in 1st grade was over.

WESTERN SUBURBS CRICKET CLUB (Inc)

President's Report 2020/2021

On a positive note, we had 6 sides playing in finals with our 3rd grade and ladies team bowing out in the semi-finals against eventual premiers. Of the 4 sides who progressed to grand finals our 8th grade fell to a strong Ocean Ridge and our Colts fell agonisingly short of their first premiership against South Perth. Our two premiership teams were led by one man, Rhys Edwards, who also achieved life membership this season.

Our T20 Division 2 side went through the year undefeated and came up against our very strong rivals Wembley as we hosted T20 Grand Final Double Header with the Colts at Rosalie Park. After being rolled for 104 and Wembley 0/25 I was not confident of our chances keeping behind the stumps but 1 wicket became 2 and before long we had rolled Wembley for 88. It was a glorious win that was celebrated hard, and I will cherish it for a long time to come.

A month later and we were back at Rosalie Park for the 5th grade final, this time against much better sportsmen in Murdoch Melville. Once again Rhys stepped up and led his side to victory coming in at 5/52 and scoring 68 to drag his side to 175. With the ball, Sam Friend took 5 wickets to finish Murdoch off for 133 and celebrations were once again in order!

The season highlight must be the great Graeme Chinnery playing his 400th game under the Western Suburbs Cricket Club banner, with his total number rumoured to be around the 900 mark. We sometimes forget about his on-field exploits with the sheer amount of work he does for the club off the field. A massive congratulations to GRC on the achievement, press on!

This year saw several young players volunteer their time off the field, helping out with club events, Country Weeks and running of the bar/clubhouse. Andrew Dennis once again was a standout, but it was great to see others in Matt George, Harry Williams, Max Bailey and Jack Trotter also helping out. However, at our awards night it was one of our more experienced members in Brad "Captain Happy" Nairn who took out the GRC Clubman Award for his years of service to the club. Nairn has been our training coordinator, 1st XI scorer, club umpire and everything in between. Your time and effort does not go unnoticed and is very much appreciated by everyone at the club!

A final thank you to all of our club sponsors including Revo Cricket, Varsity Bar, Marron Real Estate, Gage Roads, Cricket Gear Direct, Patersons, Broadway Pizza and Grill'd Subiaco for their amazing support. To all club members, please return the favour and support them whenever you can!

Special thanks to Belvidere IGA through the connection of Simon Daly. Their sponsorship of the 1st XI and club throughout the years has been crucial to our successes and with the Daly family selling the IGA, I wish them all the best in their future ventures.

Captain's Report 2020/21

1st Grade

Promoted back to First Grade for the first time since 2014 and despite the final ladder position our First XI season showed time and time again that we could be and can be a First Grade club, unfortunately too many times we were unable to close out tight matches.

From a whole club perspective, it was great to see Rhys Edwards captain both the Third XI and Division 2 T20 sides to premiership success. Our Fourth XI and Colts sides played in grand finals and the Second XI made it through to semi-final weekend.

Round 1 we hosted Balcatta bowling them out for 172. Tight bowling by the eventual runners up held us to 149. (B 172, D. Gollan 5/38; WS 9/149, L. Gollan 27, D. Gollan 26).

Round 2 we took on the other newly promoted side in Bedford Morley, Christian Benney and Jarod Bridge both made their debuts for the club. 150 did not seem enough when Bedford was 1/76. Jarod Bridge went for 12 in his first over before finishing with 5/18 and turning what seemed like certain defeat into our first win. Lachlan Hunn was also outstanding, his 8 overs, 4 maidens 1/10 was a strong factor in our win. (WS 150, L Gollan 42, Strachan 38; BM 121, Bridge 5/18).

Round 3 was the first of the two-dayers for the season and winning the toss we batted. Being effectively 3 for 62 after Chris Lefroy did his achilles, Bell and Baker combined to put on 170. Bell scoring his first First XI 100 for the club. A late order stumbled resulted in being bowled out for 257, unfortunately rain came the following week and the match was a draw. (WS 257, Bell 115, Baker 85).

Round 4 we were back home against Swan Athletic, winning the toss again and batting first we put together a hard fought 207, with most batsmen making solid starts. The bowling on week 2 was disciplined, patient and determined. Disappointingly for us we could not hold on and Swan Ath. passed us 7 down in the penultimate over. (WS 207, Baker 59*, Marrs 36, Benney 31; SA 211, Hunn 3/39)

Neighbourhood rivals Wembley hosted us in Round 6. Losing the toss meant that Wembley batted first and at 1/89 at drinks fears of a large score began to circle. Hunn and Marrs bowled magnificently to tighten things up and were well supported by Simon Daly. At a ground known for its good batting surface, fast outfield and Wembley's impressive start we were proud to bowl Wembley out for 247. 1 down over night we were confident that if we could bat the day we could chase down the total, lamentably we were bowled out for 196 on a hostile day of cricket. (W 247, Marrs 3/40; WS 196, Bell 62, D. Gollan 40).

In the last match before Christmas, I won the toss for the last time for the season and we batted first against Murdoch Melville in a one-dayer. Good partnerships between, Benney and Bell and then Bell and Luke Gollan saw us post 204. Buoyed by the bowling efforts of previous weeks we believed 204 was defensible, and it was right up until two balls to go. (WS 204, Bell 76, L. Gollan 47 & Benney 34; MM 206, Marrs 3/48).

Without a couple of our regulars we began the new year against Bentley who batted first posting 190. Josh Marrs made his first 100 for the year and almost guided us home after receiving little support, only two other batsmen posted double figures. (B 190, King 2/36; WS 176, Marrs 101).

Next up we travelled out to High Wycombe where an impressive bowling performance saw them bowled out for 100 before tea. Dan Gollan taking 5 and Hunn picking up 3. Passing their score

WESTERN SUBURBS CRICKET CLUB (Inc)

1st Eleven

Captain's Report 2020/21

1st Grade

1 down before the close of play on day one put us in a dominant position. Day 2 saw Bell pass 50 and Marrs reach his second century in a row. A declaration before tea allowed for Gollan to take a further 2 wickets before the break. Post tea and enter Simon Daly, taking 6 for and almost certainly robbed of a hat-trick with a plumb LBW shout turned down. We duly chased down the 13 to take maximum points with an outright win. (HW 100, D. Gollan 5/37, Hunn 3/23 & 104, Daly 6/12; WS 192, Marrs 102, Bell 53 & 1/13)

Round 9 presented us with a first and a very frustrating draw. Batting first Swan Valley was bowled out for 155, Marrs and Daly both taking 3 each, in reply at stumps we had made it to 1/79. On the Sunday the government announced a COVID lockdown for the week and WASTCA declared all matches a draw. (SV 155, Daly 3/39, Marrs 3/51; WS 1/79, Marrs 47*, Bell 30*).

Round 10, Max Bailey and Matthew George both made their First XI debuts for the club against Balcatta. Josh Marrs was at it again with the ball taking 5 and Matt George impressive in his first game with 4, Balcatta all out 133. Four down over night was not the ideal foundation and on resumption on day 2 it was a mountain too high and we were strangled out for 99. (B 133, Marrs 5/21, George 4/24 & 2/74; WS 99, Strachan 36, Davis 31).

The final round scenario was simple, win and stay in 1st grade. Unfortunately, on a soft green top we were sent in and held to 9/94 from our 40 overs. A couple of early wickets and an impressive spell from Dan Gollan gave hope of a sniff but unfortunately as good as our bowling had been all year, 94 was not enough to defend. (WS 9/94, Baker 23; SV 5/96, D. Gollan 4/33).

I need to apologise to the editor for my delay in submitting my report, it is well and truly late. My motivation to relive a frustrating season was low. There were great disappointments filled with a lot of what ifs about this season. Two draws in matches where we were in strong positions to win, and a number of close matches that could have easily fallen our way. 1 more win would have secured our position in First Grade, unfortunately we did not and now we re-set ready for a different chapter next season.

Thanks to the club, we are so fortunate to be able to play at our great club, we are well led and organised by our Board. Brad Forbes puts in a mountain of work and we are all the beneficiaries of it. Thanks to all the guys who help and support me, the captains Michael Davis, Rhys Edwards and Luke Evans along with Troy Bilich who make up our selection team. Brad Nairn for his organisation and commitment as net captain and 1st XI manager and scorer. And to Josh Marrs, and Dan Gollan who help with training and on match days was invaluable.

And finally to my Sarah, a woman with incredible patience, a mum to 3 kids who continues to allow me the opportunity to play cricket, she is so good to me in allowing me to spend so much time being part of our club, I really am truly grateful.

Captain's Report

Season 2020/21

2020/2021 was another disappointing season with only winning 1 of our 3 games. I thought we should have been able to win all our games this year but that was unfortunately not the case. I feel we can do better and will be pushing hard next season to be back in finals contention.

The first game was against Applecross cricket club which we fell short of by 14 runs. We bowled well but missed chances to put them on the back foot. Sadly our batting could not get us over the line, leaving too much work for our middle order to do. Stand out performances were Luke Gollan with 42.

Second game was our worst yet getting knocked for six by Subi Marist. We only managed to make 100 runs and they chased that total down in 15 overs.

Our last game was our best for the year beating Swanbourne by 7 wickets. We managed to keep Swanbourne to 117 and chase their total down with 5 overs to spare.

We finished the season with a good win but we know we can do better next season.

Hopefully we can put a good team on the park and get more wins to make finals.

Captain's Report 2020/21

3rd Grade

The season began against Balcatta at their home ground. With a lot of the players returning from last year's successful premiership win thanks to Covid. Mavis returned to lead the side again and looking for the three peat, the season did not start the way we wanted. Mavis won the toss and elected to bat, unfortunately the side was in some deep strife falling to 6/36. Mavis and Dave Morey had a small partnership before Mavis fell. Enter Andrew Dennis who came to the teams rescue and hit a great 50 in an 87-run partnership with Dave. The innings closed at 8/161 off the allotted overs. Nothing too much to report from the bowling side as Balcatta chased the runs down with 5 wickets in hand and 7 overs left.

Second game saw us coming up against the other team promoted to 3rd Grade Bedford Morley. Again, Mavis won the toss and elected to bat. With 5 changes to the side from last game, the team looked stronger on paper. Subin was out very early but from there we had some good partnerships and finished with a respectable 200 from our 40 overs. Mavis hit a fine 78 not out and Trotter hit a good 48 with some big hits in there. Freindy returned to the bowling crease, was a bit rusty as he forgot that you had to bowl within the white lines in one day's. Freindy and Dennis both took early wickets to get us off to a great start, all bowlers chipped in with a few wickets here and there and managed to keep Bedford to 135 with 10 overs still remaining.

The first two-day game of the season started well for us. Playing Subiaco Marist who won the toss and elected to bat. They only lasted 31 overs before they were bowled out for 108. Williams and Friend took 3 polls each and Bilich and Dennis chipped in with the rest. We had the rest of the afternoon to bat out, we did that just! We managed to post 162 in the 40 overs we had left that afternoon. Once getting past the score, we put the foot down to get as far past as possible. Again, Mavis and Trotter were the main scorers with 59 & 39 each respectively. Kingy dropped in with a quick 23. The second week brought rain and with that Mavis declared overnight. Hoping to take advantage of the situation on a tacky wicket and get some early wickets to push for the outright. To their credit, Subi batted well with a few rain breaks in their innings. They started to up the tempo and push for an unlikely outright. With another rain break and only 20 overs left in the day they declared to set us a total of just over a hundred runs to score. This was never likely to happen and we only managed to get through 13 overs before the rain came again and washed out the rest of the day. A good solid win for the boys.

Round 4 was against Swan Athletic, again the bowlers did a superb job and bowled them out for 130. Freindy, Dennis and Wesson each took three wickets. Having to face 20 overs for the rest of the day, we managed to scrape through losing only 2 wickets with 100 on the board. Keys was not out over night with Clint. Keys was an 11A and the mighty Indian batsmen in Vaswani took his place and destroyed the Swan Athletic attack the following week. Much like Kohli, who has not scored a century in a few years, Vaswani got close but failed at the last hurdle falling for a gallant 94. Thanks to De Swardt for recording his downfall on 94 and forever showing it when necessary. Davis again chipped in with another 60 not out as he likes the red ink, (one day you will write these match reports). The team managed its biggest total of the year scoring 301.

Our next game brought us up against the premiers favourites in Wembley, they had won the last few years with a powerful line up. Freindy and Dennis again grabbed early wickets to help establish a strong position. Apart from one strong partnership of 82 between Fleay and Bulloch, the bowlers held sway in this intriguing battle. Wesson took his first Michelle with great support from Dennis and Freindy. New opening partnership of Horton and Gerace got off to a rocky start, with Horton departing early on. Vaswani joined Gerace for a short partnership before Gerace was run out shortly before play ended on the first day. The second day started off well with Vaswani and Subin getting off to good start before Vaswani was given out LBW for 27. Subin pushed on to make a good 34 before he, Clint and Key's were all out for the addition of one run. The team were in some trouble at 6/94 and Wembley could sniff a chance to take the remaining wickets before Forbes and our skipper put on a strong partnership of 30 before Forbes fell. Captain red ink and Dennis took the score through to 166 before Dennis fell just short of the final runs. Captain red ink managed to bat with the tale and gets us through the total and a good win against a strong team.

Final game before the Christmas break had us heading down to the other end of the freeway to play Murdoch. Captain Red Ink again won the toss and elected to bat. Another new opening pair in Parker and Vaswani entered the fray with Vaswani walking back to the pavilion soon after with a quick made 7. Keys and Morey were next in and didn't worry the scorers too much with totals of 8 and 7 respectively. Kingy hit a quick fire 19 to help increase our scoring rate before he took a step or two outside the crease and failed to make his way back in. Enter Captain Red Ink who managed to bat out the remaining overs to score another 50 not out. The innings was well held together by another veteran in Parks who batted most of the overs for a well-made 57 in difficult conditions. Setting Murdoch 173 for the win. They got off to a quick start with their openers batting well and taking their opportunities. Wesson changed ends after his initial opening spell, and it had immediate effects with him taking the next 3 wickets to halt Murdoch's advance. Matt George playing his first game in this grade did a good job with his tight leg spin bowling claiming two wickets. Some loose running by Murdoch gave us two easy run outs and help seal the win for us. Ending the first half of the season with only one loss and sitting in top four was a good position to be heading into the back half of the season.

The Christmas break brought about some changes with Captain Red Ink being needed in the top side to provide some stability in the middle order and that left us with the veteran Bilich leading the pack for the second half of the season.

With the first game against Bentley, Bilich won the toss and opted to bat on a pitch that looked like it should be in India. Parker and Forbes opened the innings and they struggled to get any timing going with the ball shooting along the ground or shooting off the pitch on a good length. Parks batted for a few overs but could not get off the mark before being given out to a dubious LBW. Vaswani came and went. Looked good in his short spell at the crease, but again he forgot to use his bat instead of the pad. Clint came and went, and Dave Morey entered. Dave and Forbes batted for a long time. Scoring was slow but extremely difficult on this pitch and they held the batting order together. Forbes was eventually out for a hard fought 17 and Dave batted superbly for 21. A score of 100 was looking near impossible but Freindy and Dennis managed some late innings hitting to push our score to 122.

Freindy got us off to a great start taking three quick wickets and having them in all troubles at 3 for 4. This game was never going to go the distant, either they would get the runs quickly or we would take all the wickets. They had a good partnership of 50 before Dave managed to prise a loose shot from one of the batsmen to break up the partnership. Subin came on and was able to do what he does best and bowl stump to stump and have the bowl rolling along the pitch to cause their tailenders all types of problems. In the end, we rolled them for 106 with 13 overs remaining.

Our next opponent was the up-and-coming High Wycombe, we won the toss and elected to bat. We did not get off to a great start with Vaswani heading back to the pavilion soon after play started and then Keys hitting a bowl straight to mid on two balls later and being caught short of his crease by the length of the straight at Flemington. Again, Forbes and Morey came together when we needed it and put in a strong partnership to get us back on track. Unfortunately, Forbes fell for a well made 32 just before tea. After tea Morey and De Swardt continued, unfortunately De Swardt tried to hit one to many into the Fig tree and was caught short on his second attempt. Morey finally fell for 73. It was an extremely well-played innings and carrying on the good form from the last game. Horton and Dennis added valuable 30's to help us finish with a competitive 232 after our allotted overs. The following weekend we gave it a good shot but unfortunately, we bowled to many balls that got dispatched to the boundary on regular occasions. High Wycombe ended up 9/276 after their 72 overs.

The next game we travelled up to the Swan Valley to face an opposition sitting on the bottom of the table. We won the toss and elected to have a bowl. It took us 33 overs to bowl them out for 103 with the star being Joss Wesson who bowled 11 straight overs and took another five for. The plan for the rest of the day was to pass their total as quick as possible and make as many runs as we could, to possibly allow us time the following week to declare and have a chance to bowl them out again. We ended the first day on 8/176. The second week came but due to unseasonal weather patterns in January we didn't get back on. Lucky for us, we secured the win in the first week.

Next game we came up against another top four side in Bedford Morley. They won the toss and elected to bat. They got off to a flyer with boundaries coming at will on a fast-paced ground. We eventually broke through and slowly wound them back. In what was looking at a total of over 300, we managed to restrict them to 224 all out in the 65th over. This was mainly due to the efforts of Bilich with 5/52 and Matt George 2/58. We got off to a solid start with another new opening partnership in Forbes and Liam Gollam. Forbes fell for 22 and this led to a collapse of wickets. We quickly lost 4 quick wickets for not that many. Gollan and King got us back into the match, but Kingy went for one to many and got caught on the boundary for a well made 28. Liam followed soon after compiling well made 46. Dennis and Bilich did their best to get us over the line with both making 30 but, in the end, we fell short by 60 runs with 12 overs left.

The penultimate round and we were back at home against Balcatta. This is a game we would rather forget. Forbes led the side for the first time with Bilich out and started well with winning the toss. Unfortunately, they got bowled out for 96 with the only contributions coming from Clint O'Neill and Freindy both making 20's. Balcatta, sensing an opportunity for an outright batted out the rest of the day and the following week launched an all out attack

on the bowlers. Drop catches did not help the situation but Balcatta declared their innings closed at 4/216 of 53 overs meaning we had 40 overs to bat out. We managed to hold off the outright with Morey making another half century.

The final game was against Swan Valley in a one dayer. We bowled them out in 36 overs for 109, all bowlers contributed to this. With the bat Vaswani and Trotter both hit fine 40s to get us across the line and allowed us to finish 4th and playing finals again.

The semi finals we came against first placed Bedford Morley. With the First teams season completed, this meant we had the return of Capt Red Ink for the finals. He made a good start with winning the toss and electing to bat in humid conditions. Liam fell early with only a few runs on the board. Forbes and Vaswani put together a strong partnership together to steer us through the opening periods. Unfortunately, they both fell with the score on 51. Morey and King slowly rebuilt the innings before Morey fell for 11 with the total on 86. King and Capt Red Ink got us through until tea. After tea Kingy started to feel the humidity and the cramping coming on. It eventually got the better of him when he was unable to keep a ball out that knocked over his castle. Horton came and went. Bilich and Capt Red Ink tried to rebuild the innings to some degree to but the Capt fell to a dubious caught and bowled for 28 runs. Bilich and Dennis added another 20 odd before Bilich was caught hitting out towards the end of the innings for 27 and the tail did not wag to much more after that. In the end we were dismissed for 180 on a pitch that looked good but was not as easy to bat on as expected.

The following day was more overcast than the previous day which was a good thing for the bowlers. Again, their opener DeFilippis came out swinging. He hit a well-made 39 which included 5 fours and six. Bilich managed to grab two early wickets to help steady the initial onslaught. Play from then on until the end was slow. Bedford believed they could score these runs quickly as the pitch had been producing some great scores all season. However, the bowlers had other ideas and made it tough for them. Luke Jones batted for most of the day scoring his 65 of 161 balls, he held there innings together and without him, they could have been in some trouble. Capt Mavis decided that the veteran Bilich could bowl all day, allowing him a one over change as the wind had changed direction so he changed ends to allow the other bowlers to continue down wind. Bilich ended up bowling 31 overs into the wind, taking 3/61, a huge effort and his body felt it the next few days. In the end, Bedford just squeezed across the line making the runs 8 wickets down. If we had managed to bat our overs out and score another 20-30 runs, I could be telling you a different story but unfortunately, I cannot, and our season ended here.

Season 2020/21

Following on from an unsuccessful defence of our 2019 T20B crown, we were looking to return to finals in 2021.

Under the steady leadership of R Edwards, we started with a win.

Collapsing to 7-55 did not bode well but some late pummelling from Hillman, Ford and Revill got the team to 137/8. Kicking into gear on the field saw us reduce North Perth to 8-87 to commence our season in style.

Winning the next two games against Balcatta and Wembley was enabled through solid bowling performances from Subin and Revill. Edwards T and R were standouts with the bat.

Moving onto the elimination final against Applecross, Edwards R put in a great all round performance, supported by Revill and Hillman. By batting first (as we had done in each game so far), we recorded a comfortable win to make the Semi Final against North Perth.

Looking to seal a Grand Final spot, we again batted first, with a Titanic hitting performance first up from Edwards before 'Dion' Zietsch had us singing at the death with some ice cold hitting to ensure North Perth were never in the hunt.

Enter Wembley. YOLO and we treated the GF that way. Having again batted first, we scratched to 104. All of us were still in an upbeat mood as we took the field. Having had 5 of the last 6 sundays taken up by T20 cricket, we were primed as ever to be able to defend such a small total.

A mere 19.1 overs later and we claimed the 2021 crown which was testament to the character of the team and the contribution from all, including great efforts behind the stumps by Forba and some great work in the field from T Edwards and Ryan.

Having been part of this team for several years, it was fantastic to claim our second crown after 2019. Awesome work fellas!

Captain's Report 2020/21

5th Grade

Last year when COVID-19 stopped our season in its tracks all the players banded together for a beer at a local watering hole lamenting the one that got away. At the same time, we all committed to each other that we would all go around again and go a few places better.

This saw a strong contingent of players rolling up for pre-season at Revolutions Sports with the hunger and dedication to go one better in 2020/21 and go one better we did.

The season was looking like getting off to a rocky start as we were placed on astro at David Cruikshank Reserve when Applecross seemed to be able to hit everything over the fence chasing 220 for a win. It got down to them needing 7 to win off the last ball and 6 to draw. History says the bloke left it fishing for a wide, WSCC win by 6 runs.

We then headed up to Belridge to take on the u17's team that Ocean Ridge rolled out for the season, after Sammy Davis nicked a straight one that left Tim (38*) and myself (64) to pongo the runs quickly on what could have been a challenging deck.

Our first 2-dayer saw us head to Murdoch where we were inserted into the field on what was a pleasant day one to chase leather for 66 overs as Murdoch compiled 258. Despite being hit for a few big hits to 'Morey's Mound', Mr. Morey was our most potent bowler taking the first 5fa for the season with 5/65 off his 12 overs.

Day two turned out to be a wet November's day with some poor batting early putting us under pressure at 5/42. TK (67) and Junior (53) put on a valiant 124 run partnership, but it was not enough in a rainy on and off day with the bat.

Round 4 and 5 saw us have a month of cricket at Rosalie and a few 11A appearances from Harry Williams 4 for 32 off 10 overs which saw us roll High Wycombe for 85 on day one and chase the runs down that night. This helped us setup the outright in week 2 with High Wycombe declaring 128 in front with 35 overs in the day. A swashbuckling 61 run partnership from Rhuri Stein and Tim Kendall (41*), of which Rhuri scored 49, getting us over the line.

Another 4 wickets as an 11A for Harry Williams saw us easily account for Bassendean at home, with big Rusty Hillman bringing up the last 10 runs with a massive bomb over cover for six followed by a 1 bounce four through the same region.

This was a defining win in our season as at this point an outright took us to the top of the table, a place where we were able to cling onto through til 13th March 2021.

Going into Christmas we won at Subi Marist chasing down 195 in 36 overs. We were able to nurse through to the total after being 100 off 10 overs allowing Sammy and Subin to get the job done. Unfortunately, this was the beginning of the end for poor Sammy with him pinging his quad for the first of many times during the season.

After Christmas we took on Murdoch at Rosalie, with the writing on the wall from ball 2 with big RW Jones going down with a fractured shoulder in the 1st over, ruling him out for the rest of the season. We fought valiantly until the end, RWJ (5*) batting with a fractured

shoulder with David Revill (20) to put on 30 for the last wicket, but too much was left to too few.

This bought us to what we thought was a play off for the minor premiers against Wembley on Astro at McLean Park. With a plan to bat all day on what was a viciously slow outfield saw us limp our way to 153, with Russel Hillman leading from the front as our rock yet again, hitting 46 off 126 balls.

Seemingly doing it easy at 4/83 Matt George was able to make light work of the long Wembley tail taking 6/23 of 16 overs, including 2 lbw's, which is a rare feat from Lombardo himself.

This ended up being the deciding factor for setting up our finals series as it saw us finish 1st over Wembley by 8 points, and book in a fortnight of finals cricket at Rosalie.

We were able to clinically take care of Ocean Ridge and Subi Marist at home thanks to a Mullet Davis appearance, to conclude the 2-day season which saw us primed to play High Wycombe at Rosalie in the semi final.

Come the 20th of March, we lost the toss and were inserted to bat by High Wycombe. Which when they had us 7/78 we were feeling under a lot of pressure to post a competitive score.

Sammy Freind (20 off 39) joined Subin (61 off 123) at the crease and they joined for one of the most important 49 run partnerships of the season. Who knew that come day two it would not even be their most important partnership of the match.

Freindy was able to sneak one through late Saturday night before he and Subin (3/30 off 15) toiled through the day to bowl 33 overs between them. This had been full of opportunities, but with us putting 6 catches down in the field off their bowling, we were starting to stare down the barrel of defeat with High Wycombe limping to 7/122 needing 16 to win.

At the last drinks break Freindy came to me all excited that the ball has started to 'reverse' and that he reckoned he could sneak one through the right hander, so I tossed him the ball for one last push.

First ball after drinks, left arm around, swinging in, ball angling to me at first slip turns sharply towards middle stump as the batsman defends and nicks in onto his stumps.

2 wickets to win

Second ball after drinks, new right hand batsman at the crease, left arm around, swinging in, ball angling to me at first slip, batsman shapes up to leave it, as it turns sharply towards middle stump, he slams his bat down in vain as his middle stump gets pegged back.

1 wicket to win, Hat-Trick ball

Third ball after drinks, new left hand batsman at the crease, left arm around, ball angled outside leg swings in and hits the new batsman square on the front pad. It was so plumb the umpire had his finger up before Freindy (5/32 off 21.3) had a chance to turn around, and upon confirmation of his first hatrick he was off with 11 blokes chasing him around Rosalie, daring to dream that we could win a flag at the same ground the very next weekend.

Unfortunately, one casualty of the Semi Final was Sammy Davis' quad seeing him ruled out for the GF v Murdoch at Rosalie with Matt George coming in to take his spot.

We won the toss at Rosalie on Saturday morning and affirmed that we would have a bat on another belter of a wicket prepared by our curator Tony.

This came with the usual trials and tribulations of a WSCC batting collapse seeing us chasing out tails after being 2/50 then 5/52 as TK and Subin both failing to score before letting one wrap them on the pads in line with the stumps.

Daddy O'Neil and myself, batting together for the first time ever, set about trying to rebuild our innings before the house of cards completely fell over.

As most know I am not one to sit around and block until I nick one so Clint and I went about our natural games to put on 87 in 20 overs with a 150+ score well within our sights.

After my departure Clint batted methodically with the tail being the last man out for 33 off 132 balls and more importantly being the rock of our innings to end all out for 175.

Murdoch started well with the bat and looked solid all day with some rather elite efforts in the field needed to remove their best bats. First was an absolute screamer by Dave Revill diving full stretch behind him at Gully to open Sammy Freind's account for the day. Some fancy glove work from Mark De Swardt down leg off Matt George followed by a sharp catch in the grippers by Russel Hillman off Max Bailey to put us on top at tea.

Sammy Freind again found another gear after the last drinks break taking the final 4 wickets of the day to personally carry us over the line 42 runs in front. This man is made for finals cricket. Freindy finished with 5/29 off 17.3, earning him a well deserved Man of the Match to go with his 10/61 off 54 overs across the 2 finals.

A massive shoutout to all the boys involved on and off the field this season, it was a massive effort by all involved with contributions all across the group this year.

After a rough season the year before with only 3 wins the mighty 4's came out of the gate strong in season 20/21. Freshly dropped to 8th grade the team set out with a mission to dominate the grade and have a decent finals run!

Starting from round 1 the boys did not disappoint with a 99 run win over North Beach which set us up to win the first 4 matches convincingly, this run of wins ended in round 5 when an undermanned team through lack of availability and injury lost to our rivals out at Bassendean in an ugly affair on their astro turf.

Our batting was much improved since the previous year especially before Christmas with highlights of Hamish Macintosh 160 off 140 odd balls and 76 not out against Ocean Ridge to prove he enjoys punishing underage bowling attacks. Pete Ryan also contributed with an 87 not out in a 200+ run stand with Hamish against Subiaco Marist.

After the Christmas break our form with the bat came and went with Chris White finding form to win 2 games off his own bat including scores of 66, 57 and 44 through the middle of the year.

Come round 8 the team was flying with a record of 6-1 and facing the bottom team in North Beach the boys were licking their lips... they did not disappoint as we defeated them outright, with the arrival on the big stage by William Van Uffelen who proceeded to take match figures of 9/13 off 12 overs total.

Following this big win, we then knocked up 297 in round 9 with Pete Ryan scoring 121 before we received a first Covid off week 2 much to Balcatta's probable delight.

The rest of the season we unfortunately hit a bit of a slump with the bat right at the worst part of the year with losses to Ocean Ridge and North Beach.

Finishing 2nd on the ladder however we were confident running into finals winning our Semi after a huge effort in the field against North Perth leading to the team's first Grand Final appearance.

Sadly we batted very poorly and let the pressure get to us as we were rolled for 86 against a young and confident Ocean Ridge team on their home deck.

Whilst extremely disappointing to go out in that fashion overall the team had a great year to only lose 3 season games and have a deep finals run which will hopefully stand us in good stead to go one further next year.

One-Day Division 1

2020/2021 season was another tough one for One Day Ones. Usually included in the top 4 we dropped out into 5th position this year in a season that was controlled by Murdoch Melville. 4th position was contested late in the season only to be lost by a game, but our run for finals was left too late.

There are some positives that we pulled out of the year however, with One Day 1's scoring the second most runs for the season out of any team, only 14 runs less than North Beach Carine. Chad Paull once again had a blistering season ending up with 707 and an average of 64.27 and Jason Kalamaras with 806 and an average of 73.27. Both Chad and Jason came 1 and 2 for highest run scorers not only in the team, but also in the competition and in the club.

A serious effort from our soon to be new wicketkeeper Rowan Watson after Team Legend Greg Evans announced his retirement this year. He is third highest and another good mention of our other opening batsman Ian Rakich who always starts the team off well.

Unfortunately, wickets seemed hard to come by for our strong bowling attack. Although the competition leading wicket takers seemed to leap ahead, we had 5 very strong consistent bowling attackers. Led by the always reliable (unless getting hit for very large 6's) Stiven Divich taking 16 wickets, Pat Mackenzie and Rowan Watson came in extremely close with 14 wickets for the season. Simon O'Callaghan came in a close 4th with 13 wickets in his first season with some serious ability, looking forward to his being a match changing player in the future. Although only playing 9 games Ali Nicholson was an honourable mention taking 12 wickets for the season, and one of the biggest missed players a lot of the games was Drew McDonald who is our usual go to for demolishing a batting line up having played less than half the season.

Our bowling line up looks extremely strong, and I hope next year we are able to execute a bit more consistently.

Unfortunately, there were no 5 wicket hauls this season, but Simon O'Callaghan was not far off with our best performance of the season against Nollamara Turf AusInd with 4/22 off his 8 overs. He then followed it up the following week with another 4fa against Wembley district taking 4 for 47 off 7. Honourable mentions would not be complete without a bowling effort from Stiven Divich also taking a 4fa against Fremantle Mosman Park taking 4 for 28 off his 7 overs.

Captain's Report 2020/21

One-Day Division 1

Some serious honorable mentions with the stick this season. Opening batsman Ian Rakich made two very confident 50s showing off his developed array of shot selections and moving away from the usual 'rakich shot' to gully. Rowan Watson also put on two 50s coming close to converting one of them with a strong 92 against North Beach Carine.

Chad Paull and Jason Kalamaras putting on some big milestones with Chad making four 50s and 3 TONS! Converting against Nollamara, Fremantle and Fremantle AGAIN. Jason only able to convert 2 of his into tons but putting on 6 strong 50 performances. Converting against the ever strong Murdoch Melville and Fremantle.

Chad Paull not only put on some elite individual performances but also contributed to four massive partnerships with a 167 looking at Ian Rakich on the other end, and three big ones with Jason Kalamaras. Jason and Chad with a Club Record second wicket partnership of 256 against Fremantle Mosman Park in 36 overs. After losing Ian third ball, they belted Fremantle around the park with a combined 29 fours and 8 sixes.

Special mention to Rowan Watson and Simon O'Callaghan with a 101 fifth wicket partnership against North Beach Carine.

Some special moments this season came from the long awaited return of Andrew Kavanagh who managed to get on the park twice this season. Here is hoping his return next season will be strong.

Also the surprise announcement of Greg Evan's retirement who has been an extremely strong core for the team. We look forward to seeing him at the ground supporting us for years to come.

Unfortunately, the season did not go in the direction we wanted with the end result, but the core and ability in the team is definitely strong. We have the ability to beat every single team no doubt, hopefully we can execute on the days that are needed and look forward to a flag in the near future.

Captain's Report 2020/21

One Day Division 2

In 2019/20 we finished minor premiers in One Day 3 and due to covid were premiers without playing finals. Thus we were promoted to One-Day 2.

But we lost most of our players out of cricket due to the economic effect of COVID.

Only 4 of our 16 medallion winners played regular games this season so we built a new team utilising 31 players in 2020/21.

We won 8 of our 17 games and twice defeated Wembley who played in the Semi-final.

On 6 occasions we scored less than 130 which is why we finished 5th.

We bowled very well and fielded brilliantly due to the new young players who joined our squad from under 17s, occasionally from 8th grade, indoor cricket and new recruits.

Thank you to all of the team for their contribution throughout the season and especially to Rob Brierley as acting captain when I was injured in mid-season and to Mike Selby and Darren Squance for their tactical advice.

Well done to Jared Clifford for both his tremendous keeping and being our manager entering MY Cricket details.

Congratulations to all the trophy winners who achieved success with the help of their team.

Well done to Darren Squance as Grade Champion and achieving 300 games.

Thanks to everyone for their contribution in helping to run the club especially the President Brad Forbes and Registrar and captain of 8th Grade Luke Evans.

Anecdote: In 1971 I was invited to play in the inaugural game at Edinburgh Oval at WAIT which was opened by the Duke of Edinburgh.

My captain Rod Marsh won the toss and due to morning rain, which had softened the pitch, elected that the afternoon was played in the entertainment marquee!

Also my father WGC twice played golf with the Duke about 1962 & 1971 at LKCC

Captain's Report 2020/21

One-Day Division 3

After a good start winning the 3 of our first four matches the One Day 3 side fell away and eventually finished bottom of the ladder with 4 wins.

Our fielding and batting let us down on too many occasions. The bowling was steady but was not backed in the field with far too many simple catches put down that should have been taken in this grade of cricket.

Player turnover was certainly an issue with 37 players being used for the season, along with injuries to myself and a long term to Sanjay Mukhedkar did not help our cause.

The batting averages was led by Scott Tomlie with 224 runs at an average of 28 and a highest score of 59. Next was Russell Nichols with 200 runs at 20 with a highest score of 44 not out. Other batting highlights was Sumeet Wagh 93 not against Fremantle Mosman Park and Vinay Verma 72 not out in the same game.

Tim Bleby led the bowling averages with 19 wickets at 12.42, best bowling of 6 for 19 against Fremantle Mosman Park. Josh Hill with 10 wicket at 36.3 and Scott Tomlie with 10 wickets at 33 were also good contributors. Lachlan O'Callaghan and Kale Adamson were also good contributors.

Best in the field was Josh Hill along with David Linehan and Chris Williams.

Many thanks to all the players who turned out for the season and made my life a lot easier.

Special thanks to Russell Nicholls for assisting me on match day with fielding positions and bowling changes, Jack Da Silva for entering the "MyCricket" scores.

Also thanks to Graeme Chinnery, Sanjay Mukhedkar and Luke Evans for assistance with team selections and finding players on Friday evenings.

Although we did not get the results we wanted on the whole it was an enjoyable season and we had some fun along the way. I hope everyone who played can be back next season and look forward to another season of cricket.

Captain's Report

Season 2020/21

Early into preseason the so-called Brains Trust of the Colts 20/21 team sat around a cold Pasito discussing the prospects of the season. Young talent and experience came flooding in for this season as there was a prospect of having a full team in game 1. Falling just short of the big dance last season the goal was set to "Gotta want it". The mindset embodied by all players.

Round 1 wasn't actually Round 1, instead our first fixture was to be played at John Lucas Oval against Subiaco Marist. There were concerns about pitch preparation due to Newman College acquiring a swimming pool at the edge of the pitch the day prior. However young gun Harry Williams was not phased by the damp conditions starting with the new ball taking 2/12 from his allotment. With some tidy bowling and on field pressure Subi were limited to 5/97 from their 20. Trotter and De Swardt made light work of the total putting on an 87-run partnership with 51 (39) and 40* (31) respectively. Closing the game out in 12.2 overs.

Before most games Jack Trotter would message and I quote "I am scoring a hundred today", and round two was his opportunity. The call was Tails and Swanbourne decided to take to the field with 9 players. Trots used the gaps in the field and blasted 74 to help us to a total of 142. Our team, in true colts spirit - feeling quite dusty, took to the field, narrowly winning in the final over with some great death bowling from Trots. Swanbourne finished 3/137. B Budimir yet to contribute.

With the departure of Harry Williams, in comes the country duo Luke Gollan and Jevan Tholstrup. Boy oh boy did we like the look of Luke Gollan opening the bowling in servo sunnies after a 3-year bowling hiatus. He ended with figures of 3/8 with one maiden. Paddy wagon Van Uffelen taking 2/17 which some would say was quite expensive considering Applecross completed their innings 8/60 off 20 overs. B. Budimir opting to drop a catch (deemed a no ball) to maintain his zero-point standing. With another low total to chase and the fig tree in sight the Burbs chased the total down in 8.3 overs. Once again Jack Trotter topping the runs with 34 from 27. Pasito's aplenty heading into finals.

A three finals series was ahead of the team looking to take the first colts' flag for the club. We faced Applecross in the Elimination Final. A very wet Rosalie Park wicket forced us to the Burbs home of cricket at College Park. Previously limiting them to 8/60 in Round 3, Applecross could not improve this total – all out for 80 in 13.4 overs. Paddy Wagon Van Uffelen was hit for large boundaries into the College Park School, however he bounced back quickly to take 4/29. Jevan Tholstrup became the clean up crew taking 3/0 in quick succession closing their innings in 2 balls. Tortter and Luke Gollan chased this down evenly in our quickest chase of 6.3 overs. The game was finished in less than 1.5hrs, prompting Guy Leath – who has umpired all the colts' games – to request the double header move forward.

Hot off the Elimination Final, this seasons Colts side was looking the best it has for years. Semi Finals bound we were mastering our game of bowling first and chasing a small total, and this game was no different. A scratchy start with some big hitting from Swanbourne put us on the back foot. Enter Max Bailey, built for finals, running through the top order – 3/14. Unknowingly, I toss the ball to Jevan Tholstrup charging in for his hattrick ball. In one of the most village wickets ever witnessed, Jevan bowled a waist high full toss smashing into the top of off stump and he didn't stop there! Another 3 wickets followed taking his finals figures to 7/5. B Budimir contributed a weather report from third man (0 points). Swanbourne set us a total of 88 to get us into the big dance. Luke Gollan found his groove with Sam King putting on a 61-run partnership scoring 43*(26) and 24*(18) respectively. Big win and a big return to the Colts Grand Final for the Burbs.

Captain's Report

Season 2020/21

The Big Dance and who was outlined as our biggest competition in our pre-season yarns, Western Suburbs vs South Perth. It was a perfect day for cricket at Rosalie Park with an excellent pitch.

Unfortunately, unlike the season to date we lost the toss and were sent into bat. Luke Gollan and Jack Trotter showed us their class and pushed a 65-run partnership against some quality bowling. After Luke was stumped for 42 the batting slowed down as we pushed to 100. As we had not batted below 4 in most games this season it was many of the boys first hit in colts for the year. Unfortunately, we lost wickets quickly and finished on 9/112 from 20 overs.

Belief in our game and abilities were in our minds heading out to the field. The Gotta Want it mindset was still instilled in our minds often questioning South Perth, especially Uffa, "Do they want it?". Max Bailey, as previously mentioned, is built for finals cricket. Max charged in taking down the South Perth top order with figures of 4/12 in 4 overs, with their top five batsmen unable to score more than 8 runs. We felt as though we were on top but some big hitting from South Perth narrowed the scores which unfortunately steered them to victory.

Overall, it has been one of the better seasons as a Colts team with many guys learning and showing their skills in the shortest form of the game. As almost half the team saying goodbye to their Colts career (pending WASTCA ruling) it was not the way we would like to finish but overall, it has been a fun year with the team and certainly some games of domination that will be remembered for a long time.

In the words of the 6 game, 0.1 point player Blake Budimir "Yeah not too bad after the performance today, I really just want to thank the opposition, the sponsors, parents for bringing me down. Thanks everyone, really appreciate it".

Gotta Want It!

Mark de Swardt

In the 1970's the Teachers Cricket Club had two home grounds, Kent Street and Perth Modern Senior High Schools. Both had turf wickets. In fact Kent Street had two. The club approached the principal of Kent Street, Bill Gibbney to be patron. Bill had been a sportsman all his life but cricket was not his area of expertise. He had been a fine tennis player, club champion several times and an excellent golfer.

Bill Gibbney smoothed the way for the Teachers Cricket Club by ensuring a very high class of care for the turf wickets at Kent Street, having mobile sight screens constructed and installed; and donated a perpetual trophy for the Club Champion player. His persuasions are such that he thoroughly approves of the egalitarian manner in which the trophy winner is selected and although retired from Kent Street and the patronship in 1981 his interest in the club's fortunes remains undiminished.

HISTORY of WESTERN SUBURBS CRICKET CLUB

1964 – 65 In mid – winter of 1964 Michael Worner was advised if we could get a team together we could join the Western Australian Suburban Turf Cricket Association.

After a meeting at the Highway Hotel in August 1964 between Michael Worner, Michael Maye, Paul Olivier and Peter Beck, the club was born.

We chose the name “Collegians” and entered the competition in 2nd Grade (there were only two grades). Our first game was against Teachers who became Shenton Park years later.

It is now history that under Peter Ridley our team went through the season undefeated and won a thrilling final against Subiaco in March 1965.

The team to play in the final was in batting order Michael Worner (vc) 3, Peter Beck 4, Neville Eastman 108, Don Efford 17, Peter Ridley (c) 3, Pat Dullard 47, Philip Newton 10, John Farrer 4, Barry Newton 38, Tim McComish 12, John Worner 4no Total 266 .
Subiaco City 252. P Newton 4/54, J Farrer 2/34, T McComish 1/31, P Ridley 2/22, J Worner 1/14

Our first training venue was the practice wickets at the St Louis College and our home ground was St Louis Oval. ****

1965 – 66 The team was promoted to 1st Grade and achieved moderate success and finished fifth.

1966 – 67 The Club entered a second team in the competition captained by Michael Worner, whilst the 1st Grade was captained by Neville Eastman.

During this season we were forced to change training venues to the practice wickets at Claremont Oval and in order to gain council support we changed our name to Claremont. Our second side reached the semi-final.

1967 – 70 The Club continued to grow and negotiations were underway with Nedlands City Council to secure Graylands Oval as a second home ground
(St Louis Oval was our home ground and also then our training venue).

1970 – 71 The club entered a third team captained by Michael Maye in the competition. and gained Graylands Oval as our training venue and second home ground. Practice wickets were built by the club at Graylands.

1971 – 72 Each of the clubs three sides (in first, third and fifth grades) reached the finals but lost. Ian Lyon and Peter Blake scored “one day” tons on a limited overs basis. Michael Barker achieved a “hat trick” in a one day game against Swanbourne in First Grade – the Club’s first.

1972 – 73 A fourth side captained by Sam Percy was entered into the competition At the Clubs annual dinner, held at the Sundowner (a home for the aged!) the speaker was John Inverarity. Frank Newton achieved a “hat trick” against Nedlands.

1973 – 74 This was the most successful year for the club when all four teams reached the semi-finals. Each of the sides in 1st, 3rd, 5th and 6th Grade won the semi finals and created a record with the club having four sides in the finals.

However the only side to win was the “All Stars” in 6th grade, captained by Sam Percy. The club became famous (or infamous) in the town of Augusta. The “All Stars” on tour in the town provided the town with its first “streaker” Bill Harris”. The team in batting order: Jerry Linsten, Peter Beck, Peter Blake (vc), Rod Reid, Alan Holt (wk), David Hyde, Sam Percy (c) Alan Harris, Paul Olivier, David Percy, Colin Beck, and Bernie Masters 12th man****

CLUB HISTORY (2ND Page)

1974 – 75 4th and 5th Grades reached the semi-finals and the “All Stars” reached the finals again to be played against Greenwood at Haig park. Rain unfortunately washed out play and Greenwood having been on top were declared Premiers. Hat tricks were achieved by Greg Calcutt and Jerry Linsten.

1975 – 76 A fifth side was entered into the competition. The club then had a side in each of the Grades 1 to 5 but only Grade 5 made the finals and lost. 1st Grade finished second last and was relegated. During the winter of 1975 the club finalised negotiations with Nedlands Suburban Turf Club (who only had one side in the competition) to amalgamate and the club changed its name to Nedlands. College Park was secured as home ground for our top grades with Graylands being our second home ground.

1976 – 77 The club reduced the number of sides from five to four as costs were too high in fielding five sides. It was the first time since 1965 that the club did not have a first grade.

Jerry Linsten scored a century. Peter Gale took 5 wickets for 2 and Ken Smithson in 3rd grade finished the season with 60 wickets at a average of 10.9.

1977 – 83 During the period we saw the club re-enter first grade and fielding three other teams from third to seventh grades. Success had been limited with the odd team reaching the semi-finals but no pennant coming our way. The club moved from Graylands to College Park for training and in the 1982-83 season secured Dalkeith Hall as its Club Rooms. Two brilliant “hat tricks” were achieved in this period by Peter Gale and Alan Harris (Alan’s were 3LBW’s).

1983 - 84 The season was the most significant to date in the the history of the club. The season was notable for the premiership won by Mark Quenby’s 5th Grade team, the complete establishment of the club at Dalkeith Oval with its club rooms, new synthetic turf pitch and practice facilities and importantly the influx of talented new members into the club. Regrettably, the 1st Grade was relegated to 2nd Grade. The 3rd Grade and 7th Grade performed well through the season and finished close to the four.

1984 – 85 The club continued to grow on and off the field. The 2nd Grade team was “Grade Winners” and therefore promoted to 1st Grade for 1985-86. 7th Grade qualified for the finals also, winning the semi-final against City Beach but losing the final to Hamersley. The club completed its improved practice facilities with the addition of a third net and purchased a bowling machine. The club fielded for the first time two junior 12 year old teams. It was a successful season with two teams in the finals and two individual association trophy winners in P Gason and A Hunt. The club streamlined its administration with the introduction of a Board of Directors (8)

CLUB HISTORY (3RD Page)

1985 – 86 Further Progress: A Premiership to our 2nd XI in 3rd Grade. Introduction of another junior team – the under 14's. The club employed an Executive Officer, Alf Dolling. The season saw the club with teams in 1st and 2nd Grades for the first time in its history. The 1st Grade side performed admirably, finishing third in its first year back in 1st Grade. The club finished fifth in the Association Club Championships (the highest position ever held in the history of the club).

1986 – 87 Our 2nd XI premiers again! This time in 2nd Grade. Andrew Quenby as captain enters the record books as the only captain in the club to have lead the team to two Premierships – consecutive ones at that. Campbell Thompson has achieved a club record – the only player to have played in three Premiership finals.

The efforts over the years of Paul Wyndham and Graham Scott culminated in the 12's and 14's being in the finals with the 12's winning the premiership. Overall a good year for the club despite the lack of success in 1st Grade.

1987 – 88 The club did not succeed in reaching the finals in any Grade. The highlights of the season: Paul Wyndham's under 12's second consecutive Premiership and Arther Dowson's under 14's first Premiership.

1988 – 89 The 5th Grade team played in the final, however were not successful. A notable performance during the season was that of the 1st Grade Captain, Jeff Zampatti in scoring a club record of 155 runs, undefeated.

1989 – 90 This season saw the introduction of a 5th side for the club in 9th Grade. The overall strength of the club was shown through the fact that 4 of the 5 sides made it to the finals with two of the sides, 5th and 6th Grades making it to the Grand Final. Both of these sides were in winning positions when rain washed out play resulting in only the 9th Grade being declared Premiers – a magnificent achievement in their inaugural year under the leadership of Peter Beck.****

1990 – 91 The 8th Grade won the grand final and the 6th grade was beaten in the semi-final after finishing the home and away games undefeated. 3rd and 4th Grades narrowly missed making the finals. Peter Beck achieved a feat of playing in four winning Grand Final Sides.****

This year Nedlands were second in the Association's Champion Club (less than one win from taking the title from our neighbours, Wembley).

1991 – 92 Two sides reached the finals, 3rd Grade lost the Grand Final and 4th Grade lost the semi-final. 1st Grade were relegated to 2nd Grade and 5th Grade to 6th Grade.

1992 – 93 Changes to the Association's rules saw our 3rd Grade side that played in the previous years Grand Final moved to 4th Grade. This side finished on top of the ladder but lost the Semi – Final. No other sides reached the finals, however our 2nd Grade side performed well, failing by a fraction of one point to make it to the finals.

CLUB HISTORY (4TH Page)

1993 – 94 A new concept of 9th Grade this season where the matches were played as one day fixtures of 35 overs. 17 fixtures were played and 8 teams competed in the finals. Our 9th Grade won their quarter-final but unfortunately missed out in the semi. These one day fixtures proved to be very popular as it allowed some of our veterans to take an occasional break. Due to the excellent performances during the year the 9th Grade were able to enlist the services of former great veteran players to compete in one of the home games. Although still displaying outstanding skills were narrowly defeated.

Andrew Quenby in scoring a century joined Jerry Linsten and Phil Whitely as the only one day players to score 100 and take a hat trick.

1994 – 95 In an effort to bolster the club's playing strength and return to the 1st Grade the club employed a coach, Piran Holloway from England. Unfortunately, the top side was not successful in making the finals, however, the second XI made the Grand Final but lost.

1995 – 96 Piran Holloway returned to the club as captain/coach, along with another English player Mike Spicer. The performance of our top side improved on last year, narrowly missing out on the finals. No side in the club played finals cricket. The club's financial position was strengthened with good sponsorship during the season.

1996 – 97 For the third year the first XI missed out on the four by the narrowest of margins. The second XI finished third but lost the semi-final. The club continued its close affiliation with Somerset Cricket Club attracting two more English players for the season.

Sadly, Peter (Stormy) Gale passed away early in the season.

1997 – 98 This year marked the Golden Anniversary of the Club, after it was realized that in 1975-76 there had been an amalgamation with Nedlands Suburban Turf Cricket Club that had a history dating back to 1947. Only three sides were fielded this season with Ninth Grade withdrawing after the WASTCA decided to abandon the One Day Competition. No side made the finals.

1998 – 99 In the largest step our club has taken, it was decided to merge with the Claremont Nedlands WACA club, a move to attract youth and numbers to the club. One side made the finals – after a year in mothballs – the 10th Grade and went on to win the premiership.

1999 – 00 The year did not produce much success with only the tenth grade again playing off in the finals. A lot of younger members are on our playing lists and some showed a great deal of promise.

Two outstanding features of the season were 10th Grade's Brett House hitting centuries in four consecutive innings and Darren Morley returning from service in Timor to take 6 wickets for 7 runs! Steve Oxley won the Association batting averages in 4th Grade, and Brett House in 10th Grade

2000 – 01 The club did not succeed in reaching the finals in any of the four grades it had teams in. Although numbers were up, the quality to be successful in the higher grades were not there. Kent county cricketer Rob Key was the shining light in the 1st XI with two centuries and winning the Association batting averages in 2nd Grade. Rod Leach became the third player to play 250 games for the club and Larry Dunne took 6 wickets for 2 runs in an outstanding individual performance. On the same day, Graeme Chinnery took 8 wickets for 10 runs. From this season onwards we commenced supplying players for the the W.A.C.A masters competition

2001 – 02 The one-day side won the premiership in a nail-biting final, after dominating the competition all year. Man of the match, John Holt, fulfilled his boyhood dream of winning a premiership. All the clubs other sides missed out on finals, finishing either 8th or 9th on their respective ladders. During the season, the club individual innings batting record was beaten first by Quentin Briers (179, 4th Grade) and then by Chad Paull (206 not out, One Day Grade) on the same day. Brian Heibner became the fourth player to play 250 games for the club.

2001 - 02 One Day 1 Grand Final.

Nedlands/Claremont 7/143 defeated Applecross 8/140 at Allen Park

A Hay 7/1/-/14, B House 6/-/3/30, Sundries 32. ****

2002 – 03 The one-day side won the premiership again, this time in a rain-affected final that they controlled from the first wide ball. Man of the match, Ali Hay, fulfilled his dream of scoring runs in a final. He also joined Andrew Quenby as one of only two captains to have led a team to two premierships (again consecutively).

2002 - 03 One Day1 Grand Final

Nedlands Claremont 7/158 defeated Curtin Vic Park at Luketina Reserve

Brett House 11, Andrew Shipp 11, John Holt 25, Chad Paull 4, Alistair Hay (c) 35no

Jamie Cowell 7, Andrew Robinson 3, Murray McGill 13, Grant Russell 4no,

Stuart Middleton dnb, Marty Johnson dnb Sundries 45.

J Cowell 3/5/1/40, S Middleton 6/-/3/20, J Holt 5/-/2/23, A Hay 5/-/3/19, B House 1/-/-/7, Sundries 15. ****

The club fielded 5 teams in the competition for the first time since 1994-95. The other four sides battled bravely but had limited success. Gavin Armstrong broke the individual innings batting record with a superb 214 not out v Shenton Park.

Trivia note for the season was seeing two former players on the field for England in the WACA Ashes Test Match. Both Rob Key and Michael Gough (substitute 12th man) played for 2nd Grade in 2000-01

2003 – 04 The fourth XI lost the one-day final to Fremantle and then won the two-day semi-final against Swan Valley and the two day grand final against Fremantle. Congratulations to Iain Norrish and his team. Brad Lillingston won the Association's 10th grade batting award following his 9th grade win of the prior season.

The one-day side, led by Ali Hay, had a short season due to opposition sides forfeiting.

Nevertheless, they won the semi-final but lost the grand final.

2003/04 was a good rebuilding year with youth, under the leadership of Sam Davis as club coach and captain

In the first XI, Richard Warner-Jones took 5/50 and 7/50 in the game versus Swan Athletic to top the club's match records and Steve Clancy took a hat trick in the Masters Competition.

****INFORMATION UPDATED

CLUB HISTORY (6TH Page)

2004 – 05 The second XI were minor premiers losing only 1 game and then won both the semi-final against Fremantle Mosman Park and grand final against Swanbourne in tight encounters.

Congratulations to the team and their captain Rod Leach who also won the association fielding trophy.

The one – day side, finished minor premiers, won the semi-final but lost the grand final to Swanbourne. Well done to the team and their Captain Alistair Hay who won the association batting trophy.

In Sam Davis's second season as club coach and captain our young brigade matured and are getting ready to take further steps in moving up the ladder.

In the one day side Stuart Middleton took 6 wickets for 8 runs including a hat trick against Bassendean.

2005 – 06 The first XI were minor premiers which promoted us to first division in the next season. However we lost the semi – final due to 4 of our fast bowlers being unavailable.

Congratulations to the team on their season's efforts and their captain Matthew Dennington from Kent for winning the associations batting aggregate and average trophies and hitting the club's highest score of 217 not out.

Association trophies were won as follows:

Peter Dunn – 2nd grade bowling average

Wayne Hicks – 6th grade batting aggregate and average

Russell Hillman – One Day Division 2 fielding

Grade 10 under the leadership of Brad Lillingston – Tolich finished 4th, defeated the minor premiers Tuart Hill but lost the grand final to Nollamara.

One Day Division 1 under the leadership of Jamie Cowell finished 4th but lost the semi-final to Applecross.

Graeme Chinnery took 5 / 2 including a hat trick for the Masters side.

2006 In the prior year Nigel White approached Graeme Chinnery with the view to merging Shenton Park Cricket Club with Nedlands Claremont Cricket Club. A steering committee was set up also including Troy Bilich, Chris Williams, David Christiansen and Simon Gill of S.P.C.C and Tim Kendall, Iain Norrish and Sam Davis of NCCC which met during the off season of 2006 to formulate an acceptable process agreeable to both parties.

On 3rd August 2006 all the basic parameters were agreed and the merger proceeded with the potential opportunity for the newly named Western Suburbs Cricket Club to become a future powerhouse in the WASTCA

CLUB HISTORY (7TH Page)

2006 – 07 Our first season of the merger was more successful than ever could have been envisaged. Preseason training at Revolution Sports and Melvista Oval Nets (thanks to Noddy Holder and Bill Barton respectively) was highly successful and harmony and player movement between 9 grades went without a hitch under Sam Davis as coach.

Ground locations included 2 at Rosalie Park (+ training nets), 2 at College Park, Dalkeith Oval, Graylands Oval and McGillivray Oval.

Simon Gill captained 1st grade which finished fourth and lost the semifinal. Similarly for Graeme Chinnery's side finishing second in 7th Grade.

9th Grade under Adrian Tarca and One Day A under Jamie Cowell just finished out of the four.

Tim Kendall's 10th grade side finished top of the table, won the one day premiership flag but lost the two day semi – final.

Troy Bilich was runner up in both 1st grade's champion cricketer trophies and Tim Kendall won the 10th Grade batting aggregate in the WASTCA awards. Rod Leach achieved 300 games for the club.

Highlights: Troy Bilich 7 / 38, Rodney Leach 8 / 33, Russell Hillman 8 / 43,

Richard Warner – Jones 5 / 20 including a hat trick

Centuries: Jason Edmunds 114; Andrew Kavanagh 104; Michael Ribbands 104;

Tim Kendall 106; Jarrad Cranston 111 (n.o.), 124 (n.o.);

Robert Brierley 102, 104, 145 (n.o.); Ben Owenell 118.

2007 – 08 Being the second season of the merger we consolidated further on the prior year achievements. The season would be identified as Jarrod Cranston's. In 9th Grade he won the WASTCA's batting aggregate 1075 runs, at an average of 119.44, the clubs aggregate 1161, at an average of 96.75 and highest score of 218 not out, all of which were records and not surprisingly he was club champion.

9th Grade under Adrian Tarca's captaincy lost the one day grandfinal to Bentley but won the two day grandfinal over Tuart Hill.

8th Grade under Jack da Silva lost their two day semifinal to Doubleview Carine.

10th Grade under Dave Petricevic lost their semifinal to Subiaco Marist.

One day Division 1 under Jamie Cowell lost their grandfinal to Wembley Districts.

Other WASTCA awards were won as follows:-

10th Grade batting aggregate by Richard Hocking 364 runs at 33.09

One Day Division 2 average by Brad Lillingston – Tolich 478 runs at 79.67

Important Milestones: Jack da Silva 200 games, Graeme Chinnery 250 games.

A Colts side led by Dave Morey was entered into the competition for the first time and performed more than capably.

First grade captained by Richard Warner – Jones finished middle of the ladder and showed future signs especially with their high standard of fielding and bowling.

Season bowling highlights: Steve Williams 7 / 41; James Breadmore 7/18; Alex Murray 2 hatricks in 8/10; Tim Nixon a hatrick in 5/11

Centuries: Michael Davis 125, 100 n.o.; Jarrod Sinclair 100; Wayne Hicks 106; Pete Ryan 158 n.o.;

Anuj Prasad 139; Jarrad Cranston 195, 218 n.o., 107, 130 n.o. 108; Richard Hocking 118; John Holt 104,

104, 112 n.o.; Andrew Robinson 114; Chris Smith 112 n.o., Robin Smith 100 n.o.,

Brad Lillingston - Tolich 122 n.o; Tom Ulyot 103 n.o.

Highest Partnership: Andrew Robinson & Chris Smith 217 n.o.

CLUB HISTORY (8th Page)

2008 – 09 was the club's most successful season so far. 5 sides in finals, 4 in grandfinals and 2 pennants.

8th grade finished second under Jack da Silva and John McKenzie, won the one day grandfinal but lost the two day grandfinal both against Whitfords.

9th grade finished second under Adrian Tarca and Daniel Burt actually lost but then won the semi final by default against Swanbourne, who had an illegal player from two grades higher, then won the two day grandfinal against Melville.

One Day Division 1 under Jamie Cowell and John Holt were minor premiers but then lost the grandfinal to Subiaco - Marist.

7th Grade under Graeme Chinnery and Steve Hawkins finished second on the ladder won a great semi final against Subiaco – Marist but lost badly in the grandfinal against Bentley.

The Colts side led by Jarrod Sinclair just missed out on the four.

A team was entered in the 20:20 competition without success.
